

Citizen Science in Schools:

Schools as agents of community well-being through science and research

EU-Citizen.Science has received funding from the European Union's Horizon 2020 Framework Programme for Research and Innovation under grant agreement No. 824580.

Why? Motivations		Why? Goals	
Professional	Personal	Scientific	Educational

What is the local challenge or opportunity?

What I...	
... know	... don't know

What is the scientific question?

Which Citizen Science project?

With whom will you collaborate?	
Researchers	Colleagues
Local stakeholders	Others

How to integrate Citizen Science in school practices?			
Formal education	Resources - materials and services	Resources - costs	Timeline
Non-formal education			

Did it work? How to measure the impact of Citizen Science in schools?		
Impact metrics	Tools	Timeline
